

Sustainability Scout Merit Badge: 2018

All participants must be willing/able to attend a follow-up session on April 28, 2018 at 1pm on the Penn College Campus.

Please Complete prior to Merit Badge College:

- Obtain the sustainability merit badge pamphlet—there is a digital edition available for this merit badge which has additional videos, photos, and interactive elements. It can be run on any computer, tablet, or smart phone (uses the internet). The digital pamphlet is available at the scout store, you can access it as soon as you purchase it (\$4.99) www.ScoutStuff.org
- **Complete Requirement 1:** the first requirement for the badge is to write in your own words what sustainability means to you. It is important to do this prior to proceeding with any other aspect of the merit badge.
- **Complete Requirement 4 (pick two of a-f):** be ready to discuss/share what you learned.

Items to be covered at Merit Badge College:

- Overall orientation to the badge
- Community (A & B) aspect of Requirement 2
- Energy A aspect of Requirement 2
- Requirement 3
- Requirement 6

Scout to complete prior to 2nd meeting on campus:

- **Complete Requirement 2:** Water, Food, Energy B OR C, Stuff and be ready to discuss/share what you learned. (note that many of these require a month of implementation and review of household bills)
- **Complete Requirement 5:** be ready to discuss/share what you learned.
